

DESCRIPTION OF THE LOGO

This logo has two meanings:

First: The jigsaw puzzle shows the sector wide approach, i.e. this project tends to “touch” several fields (parts). And the colors show the variety of the fields that will be targeted by the project.

Second: The jigsaw puzzle pieces symbolize the implementing partners; also the colors used in jigsaw pieces are the basic colors of corresponding partners' logos.

1. Original Logo

2. Adapted within EU Visibility Guidelines

3. Adapted for B&W Printing

4. Logo - Negative Printing

5. Logo - Outline
